

Greetings CPE Exhibitor!

[see ➤ message below]

Included is information about the Tippecanoe & Rally, Too CPE agility trials on September 25-26, 2021. Due to current County Public Health Guidelines, masks WILL be required at all times when inside the building!

The building will be open for setup at 7:15 on Saturday and Sunday, and check-in/measuring will start at 7:30 am (if entering DOS, please arrive by 7:30 to sign up). After the trial each day we will be having CPE Speedway fun runs, please see the flyer (also attached to this email) for more information.

Tippecanoe County ordinances require that all dogs must be on leash or be confined to crates, x-pens, or your vehicle when not in the ring or at the warm-up jump. You are responsible for picking up after your dog. If anyone from T&RT observes that you did not clean up after your dog, or that you let your dog run and play off-lead, you will be asked to leave the trial site for the remainder of the weekend; there will be NO refunds. There will be plastic bags available at all exit doors.

All dogs that do not have a CPE height card WILL HAVE TO BE MEASURED before their first run; check with the Trial Secretary if your dog turned 2 yo and needs to be remeasured. Corrections to a dog's Class, Level, or jump height (other than by the judge) will incur a fee for each class if not reported by Sept 20th. Per CPE: Exhibitors are responsible for errors on the entry form, Level running, and posted scores - check the posting sheet and ribbon labels BEFORE leaving trial site each day!

There will not be food for sale on-site; but there are restaurants close by and a short drive away. While we normally pride ourselves on providing good lunches for workers, **due to COVID-19 restrictions, there will be no food/drink provided to exhibitors or workers at this trial.** There *will* still be a worker raffle, with worker names listed on a numbered sheet, and names "pulled" for items using a random number generator. **There are approximately 15 exhibitors at this trial total** so please be prepared to step in and help whenever possible!!!

GOOD LUCK TO ALL AND HAVE MANY CLEAN RUNS!

Lafayette is on EST (same as Ohio) - 1 hour ahead of Illinois

Move ups will be accepted via email/snail mail until 5:00 pm on Mon Sept 20th for the Sat trial; and move ups for Sun, for repeated classes, BEFORE leaving the trial site on Saturday.

Special note: We are in a residential neighborhood with a lot of foot traffic between the trailer park on the east side and the stores to the west of the building. Please do not leave any valuables unsecured in your vehicle. The URL for the GLKC training building is: www.glkc.org. If you have any questions, contact Kim at: 765-532-6889 or kmcmmun@comcast.net

As you may have heard, GLKC will no longer have the building as of the end of March 2022, so this is our 2nd to last trial at this location, lets have some fun and make some memories! We will have our November trial, and then will be taking some time to figure out our plan for future trials.
